MANAGING DIRECTOR

(M/s. SIIMKA KNITEX CLUSTER SERVICES PVT LTD)

Encl: As Below Annexure

ANNEXURE - I

TECHNICAL SPECIFICATION **Item 2 : Air Compressor - 25 HP**

SPECIFICATIONS OF Air Compressor

Silenced Version within Noise level limit of 69+/- 3 dBA

Electric Motor Driven

Air-Cooled screw Compressor with air cooled Motor Design

Have FAD of 120 cfm @ 7 Bar coupled with 25HP Motor

Control Panel completely housed in a sound absorbing canopy with the following parameters to monitor Run Hours, Load Hours, Unload Hours, Fault Hours, Fault Report etc.,

With Standalone Separate Refrigerant Air Dryer

Rigid frame - Powder-coated panels with two service doors at the front and two at the sides

Latches on each door - Ducts for drive motor Drive System:

Main motor - high Efficiency motor with "class-F" insulation (Main Motor has to be design with Invertor Duty Cycle which should have access/possibility to connect drive/VFD in the later stage as option)

Flexible coupling with elastic element - Rigid connection of motor and the airend flange

UPTIME warranty is must for 3 years Motor and 6 years or 30000 running hours for Airend.

Easy Foot print required in compressor package for better service work to handle easily

CE certified control panel with - Wye-delta or VFD (Variable Frequency Drive) reduced voltage starter for the main motor

DOL starter with contactor for cooling motors

High amp protection electric motors

Air Inlet System: - Pre-filter: To ensure clean air is supplied to the inlet system

Air duct: To get clean and cool air to the air filter - Air filter housing

Twin paper element, each of 3 microns with an efficiency of 99%

For pre-cleaning on the air cleaner to separate heavy particles and avoid clogging of paper element

Service indicator - indicating filter service need

Rubber coupling connecting air filter to the intake valve

Compression System: - Highly efficient axis airend with n-v profile rotors Air/Oil Separation

System: - Receiver tank incorporating OSBIC principle mount

ANNEXURE - II

<p align="center">Procurement/Commissioning of Genset for the CFC to be established under MSE-CDP Scheme of Govt. of India in TEXTILE KNITTING CLUSTER, Tirupur</p>
--
